Minutes July 10th 2025:

- Can't approve previous minutes due to no quorum
- Working group chair
  - Ericsson is back in ECD! Expecting some guy named Matthew to join as their rep, maybe he'll be willing ;-)
- TheiaCon
  - Thomas gave an update on planning. PC is Jonas & Mark, CFP opens July 15th
- CDT steering committee
  - Thomas gave an update on the planning board
  - Improvements / simplifications made to the publishing process (new category: Eclipse in action), Lonti adopter story published to website
  - June newsletter includes an article on Langium
  - ECD (or ECDT) vs CDT
  - Briefly discussed website updates for
- Open VSX
  - Several issues reported in the last few weeks, including a vulnerability (advisory published)
  - More attacks since this as well, including DoS
  - Requests going up significantly this year, working on rate limiting
  - Cursor, Windsurf and others responsible for much of the traffic increase, discussions happening on joining the working group or contributing improvements/fixes
